

DWA_03.5 Knowledge Check_DWA3.2

Scenario: Add a new task to the to-do list

Given I am on the to-do list page

When I click the "+" button

And I enter "Buy groceries" in the input field

And I click the "Add" button

Then "Buy groceries" should be added to the
list

1. User story(ies) in Gherkin syntax for the "+" button.

Scenario: Remove a task from the to-do list

Given I am on the to-do list page

And there are tasks in the list

When I click the "-" button next to a task

Then that task should be removed from the
list

2. User story(ies) in Gherkin syntax for the "-" button.
